**Thank you.
Your heart *will* be there!**

Dear «Salutation»,

I was thrilled to receive your special hope-filled heart the other day. Your heart will be displayed in the new Humber River Hospital when it opens on October 18th, giving hope to patients, family and loved ones.

I'd also like to express my sincere thanks for the special gift you included, in the amount of «Amount».

You really are the true HEART of this Foundation, and of Humber River Hospital! Your donation means a lot to us—and to the future of patient care. Your gift will be used to fund many essential equipment items needed to provide the very best care to you, your friends and neighbours.

It's only with your ongoing support that we've reached this wonderful milestone—opening the first fully digital hospital in North America, right in your neighbourhood! I do hope you'll come and visit us after October 18th.

Again, thank you sincerely for your generosity. I look forward to working with you as we move forward to keep your new Hospital on the very forefront of personalized, patient-friendly care.

Yours sincerely,

Helga Schnider
Vice President, Donor Relations
